SARCFest - with a difference

"Are we having a SARCFest this year?".....YES :)

Sunday August 27 SARC will open the clubrooms for a SHOW, TELL & SELL day. We'll provide the usual Tea, Coffee, Cake catering along with an all day BBQ. Bring along things you've built or assembled and show how you do stuff. Members of the Monday night Diginet will have digital, image and file transfer stations operating. Stuff to sell? Bring it along - car boot style.

Tigertronics Order

A couple of SARC members are after some more Signalinks, cables and other stuff from Tigertronics. Want to join in and share the freight?

Check out what you want at <http://www.tigertronics.com/> and then place your order with SARC. We can't afford to get stuck with expensive stock so can you put a deposit into the SARC account (see our web site for details). Use your <callsign+TO> as the reference and then e-mail vk2dlr@gmail.com with your order details. We suggest a \$AU 170 deposit for signalinks and a \$AU 30 for additional cables. We won't know the exact price until the freight and exchange rates get processed with our order. The order will be sent late on the night of Sunday 24th June.

Cheers,
Duncan
