## successful SarcFEST:

Good day for those that braved the rain. Lots of bargains being snapped up everywhere. Plenty of conversations being enjoyed. Hot food and drink supplied by Elizabeth E2R and Lachlan VK2FOOD. Thanks also to all the SARC members who worked long hard hours to pull off another successful Sarcfest. De Duncan, VK2DLR

## **DIGI-NET REPORT:**

Monday 20 August, 2018

For tonight's net we had VK2PMG/SRC as net control with John VK2JWA, Steve VK2SLM, Duncan VK2DLR and Dave VK2ZDR. We have all been having much enjoyment with MMSSTV lately, so we stuck with it. The mode used was mainly MP140 to fit in the 3 minute timeout. We used the Woodburn repeater. Not everyone has SSB on VHF and UHF, so FM is it.

VK2SRC started things off with an image from the recent Sydney trip, wonderful Palm Beach and the Barrenjoey Lighthouse. That seemed appropriate since the photos were taken on the Lighthouse activation weekend. Duncan also transmitted a number of images taken at the Ballina Lighthouse. After that we transmitted some nature-based photos. Dave outdid everyone with his stunning images of water drops. We will all have to lift our game to compete.

Thanks to Dave for doing the report that I had forgotten to write. I tried to pass the digi net over to Dave to run but that didn't work, so you are stuck with me. Thanks to all who logged in and participated. The net finished a bit after 10pm

Cheers from Paul VK2PMG

## 2018 ILLW (from Byron Bay)

### {from LAST weekend}

Well the VK2SRC cape Byron light house weekend was a great success with VK2MNM, VK2LRB, VK2FAFF, VK6FMGR & VK6FXXX. With great weather, plenty of radios & antennas there was a lot of contacts and making a contact in every state of Australia & new Zealand with numerous inquires on Amateur radio we might end up some New one on air over here or overseas. We had a few old Amateur radio operators call in visiting from Germany. We had a 12 year old boy called Arlien who was plastic free boy to tell his story over air about saving turtles and marine life while recorded by his mum, we will get a copy soon.

Thanks to the National Parks for allowing us to set up and thanks to all that helped.

Hope to see you all again for 2019.

CHEERS Reg, VK2MNM
