DIGITAL MODES:

On Monday April 3rd we held the Summerland Amateur Radio Club's digital net. Stations logged in were VK2ACD, AGC, JWA, EA, ZDR, TRD and VK2 SRC-PMG Net Control. The frequency used was 80 metres, 3.625 USB after an initial meet and greet on 146.800.

This week we decided to do a session with FLDigi using Thor 16. AGC, ACD and Eric VK2TRD joined us from Mt Isa. Net Control was pretty tired after working most of the weekend following the flood. Eric was coming in pretty well from up north and had also dropped in on IRLP on 439.950. A good net closed at 9.35pm. Thanks to all who participated.

TENTERFIELD ENDURANCE RIDE:

Northern Rivers Wicen will be providing communications for the Tenterfield Endurance Ride at Girard SF again on 29-30th April 2017. This year they are running a 40k and 80k ride only on the Sunday morning. As the second 40k leg will be the first leg run in reverse, we'll only check need points at Bowerbird Rd and the top of Bullocky on Slaty Fire Trail. The same as in previous years.

Any Wicen members wishing to take part in this exercise should contact Duncan VK2DLR 04 1922 9370 or draymont@bigpond.com. An exercise briefing will be issued in a few days. "

Cheers,
Duncan VK2DLR
