SARC Christmas Party **LAST CHANCE**

As announced in last week's news the SARC end of year party will be held at the Clubrooms on **SATURDAY 7th December from about 1600 to 1830** (NSW time).

Bring your own drinks. Cold soft drinks will be available for purchase from the SARC fridge as usual.

The afternoon nibbles will be a variety of:

Dips with crackers, carrot and celery sticks

A variety of cheeses & crackers

Nuts, chips and fruit.

and to warm things up:

Meat balls

Kebabs Mini quiches and chicken tender pieces

Chairs and glasses are available but bring your own if you wish.

Cost will be \$5 per head and please RSVP your callsign and numbers attending to vk2src@gmail.com by **TOMORROW Monday 2nd December** for our caterers.

DIGITAL MODES

TUESDAY 26 NOVEMBER 2019

Well, another digi net. Joining VK2SRC were Leith VK2EA, Duncan VK2DLR, Kris VK2KWW, Rob VK2ARL, Dave, VK2ZDR and John VK2JWA. That's another good rollup. We had our customary 2 rounds of personal new and chat before we QSY'd to our normal frequency. I did have a bit of a grizzle about 2 man nets last week, but that didn't seem to achieve results and once again it was Duncan and I.

We used Fl Digi and Thor 22 mode, frequency 144.230 USB. We started with the customary tone transmitted on 1500Hz, a good starting point. Sometimes Fl Digi can wander about during the net and that centre frequency needs to be brought back to 1500 to ensure that we don't miss some of the signal by drifting off.

In spite of that 2-man net, it was very enjoyable, plenty of time to enjoy the keyboard "conversation". Thanks to Duncan for helping to ensure that the net continues, and to all who logged in. The net finished at 10.15pm.

Cheers from Paul VK2PMG

GENERAL INFORMATION:

The WIA has announced the "Future of Amateur Radio" program with an open invitation.

The WIA encourages all licenced operators, regardless of whether or not they are a member of the WIA to join the program and have your say on issues that are of importance to the Amateur Service

Check out <https://www.wia.org.au/newsevents/news/2019/20191130-20/index.php>

and get your chance to be heard.

CB/Two-Way laws...?

I just found this online as someone also posted it on a Facebook page asking about CB/Ham Radio in under this new (upcoming) laws on Mobile Phone use...

https://www.acrem.org.au/cb-info/using-cb-while-driving/?fbclid=IwAR3P68_ee65iS2ntl2nQcDxW0A-YrKCLD3GdnU4nQ13PUU2vcWUT3nioetI

anyway, who knows if this is actually 'current' & has been updated since...?
