SARC farewells Steve SLM

SARC was well represented at the funeral of *Steve VK2SLM* on Wednesday. Between those present and apologies from those unable to attend, over a dozen represented SARC as Steve was laid to rest along side his late wife Suzanne who preceded him just ten months earlier. The eulogy contained thoughtful words from Steve's eldest son Nathan. They were a warm and loving mixture of some of the highs and lows of Steve's life. Laughter and tears are part of life and the eulogy provided us with reason for both. We pass through this life but once and our place in history is measured by those we helped along the way. Steve is part of our past and joins the others who laid the foundations on which we stand today.

SARC & the LIGHTHOUSE WEEKEND (ILLW)

VK2KWW Kris setup at Evans Head Lighthouse on Saturday but with the very strong winds around this area over the weekend, Kris packed up early whilst he still had some gear, to be packed up...hihi
