SARC PRESIDENTIAL MESSAGE

- Ross VK2ARD

2021 has provided many challenges for our radio club and at the end of the day we still achieved quite a bit.

Our members took part in several contests that produce some fantastic results for our club & our southern neighbours Clarence Valley Group.

Six candidates successfully participated in our education program and passed their exams with flying colours, this program was made possible again by Duncan(VK2DLR) & Chris(VK2ACD) who put some serious time into preparation & delivery, now we wait to see which callsign our candidates choose.

Clubroom works continued on throughout the year culminating in the underpinning of the northern wall which has been a great success, future works are planned for this year and hopefully that will be the end of them for a while.

Thank you to everyone who has contributed to our club whether it was big or small, our committee & our members have provided almost endless support in various ways throughout 2021 and I for one greatly appreciate all the work.

I hope you all have a Happy & Prosperous 2022.

Yours Sincerely

Ross Dowse (SARC President).

FUN PAGE

The Right-hand image has 10 alterations. Can you spot them?

ANS: https://drive.google.com/file/d/1pLDzHdbdOZbCXCaXTbVgFMObyBpCV-E/_view?usp=sharing

From next the FUN PAGE will mainly contain a *Find the Word Puzzle* exploring an Amateur Radio License Syllabus topic for the Standard (Std) Licence. Later, the puzzles will be covering the Advanced (Adv) Syllabus.

The Foundation (Fnd) Syllabus was covered last year (2021). If you are interested in using the puzzles for the Foundation Syllabus you can access the puzzles and their solutions here . . .
