OCT Thu 19th – Sat 21st

HF Dawn Patrol Report

- Jeff VK2WSR

The numbers for the Dawn Patrol for the week ending 28-09-23 were 47.

The Dawn Patrol Times will have changed (for those who didn't know) due to Daylight savings in VK2. The times are 0700 (VK2) and 0600 (VK4).

- Cheers Jeff VK2WSR

Tuesday - Net Report

DIGITAL MODES

- Paul VK2AMT

TUESDAY26 SEPTEMBER, 2023

This week, for the Diginet, logging in with Paul VK2AMT as VK2SRC were Duncan VK2DLR and Jeff VK2WSR. Since it was going to be just the three of us, we had a quick couple of overs on Parrots Nest 2 metres before we QSX'd to our 80 metre frequency.

3.590 USB with Fldigi and Olivia 8-500 has served us well through the winter months with good signals, so we will not be changing frequency unless we have to. The signals were: Duncan S4 and +8 to +10. Jeff was S3 and +2. The decode was 100% through the net. The recently held SARC Fest dominated conversation, along with the excellent talk and demonstration on microwave operations. Another topic of conversations was patch leads and what coax would be suitable. We all agreed that RG213 was horrid and inflexible for patch leads of less than one metre.

Another good net with the excellent keyboard conversation that we normally have on the Diginet. My thanks to Duncan and Jeff for their excellent support.

– Cheers from VK2AMT (as VK2SRC).

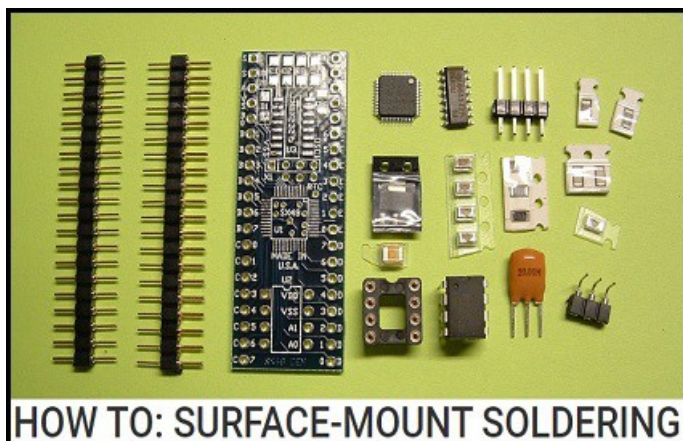

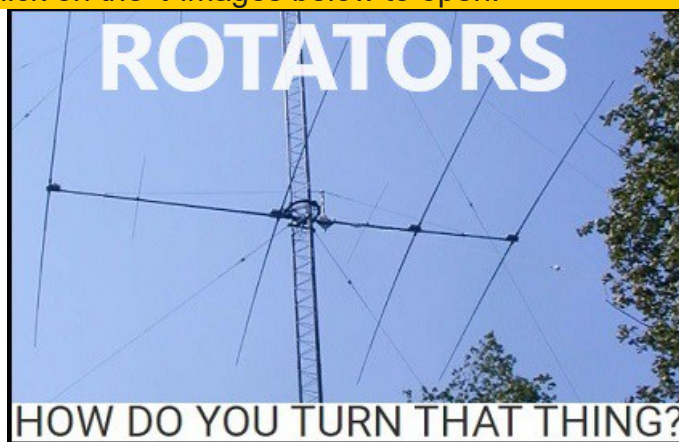

Friday After Dark Net Report

- Jeff VK2WSR

The Friday After Dark Net numbers for Friday night 29-09-23 were 9. VK2SWR, VK4FABG, VK2XI, VK2ZDR, VK2YHP, VK4GCR, VK2MBJ, VK4TSA, VK4BT and VK2ARD all joined the Friday Evening After Dark Net (FEADN) this week. Discussions included Holidays, lightning strikes, Respect for fallen Police and emergency services as well as rotators.

- Cheers Jeff VK2WSR
