WHAT'S FOR SALE? In keeping with SARCFEST traditions; we'll have a whole lot of new and used parts and components. We'll be advertising any 'big ticket' items on the club website as we get them ready for sale.

Grab some bargains and help us reclaim our shelf space.

AND... Of course we'll have the famous (infamous?) SARC E-Waste Trailer. Gold coin donation territory. Anything in the trailer will be going to e-waste at the end of the day.
